

Cubii®

PRODUCT CATALOG

Seated ellipticals designed to fit easily into your life

Gentle & Effective Elliptical Motion

The Cubii Move features a low-impact elliptical motion that supports strength building and improved mobility without straining the joints. This makes it an excellent choice for individuals recovering from injuries, looking to maintain joint health, or simply seeking a comfortable cardio workout. By simulating a smooth elliptical movement, it helps improve endurance and cardiovascular health while minimizing the risk of impact-related injuries.

Lightweight & Portable for Convenience

With a lightweight design under 20 lb., the Cubii Move is easy to transport and store. Its durable glass-filled nylon construction ensures both sturdiness and longevity while keeping it light enough to move between rooms effortlessly. Whether you prefer working out in the living room, home office, or even outdoors, this compact elliptical makes it easy to stay active anywhere.

Stay Motivated with Real-Time Progress Tracking

The built-in LCD monitor keeps you informed by displaying key workout stats, including stride count, distance traveled, duration, and calories burned. With this real-time feedback, you can track progress, set goals, and stay motivated to maintain an active lifestyle. Whether you're aiming for daily movement or long-term fitness improvements, the Cubii Move helps keep you on track.

Item Nr.: 7032308

Levels of resistance: 6

Product Weight: 9 kg

KEY BENEFITS

- Approachable cardio workout activates **6 key muscle groups**
- **Compact and versatile**, fits under chairs in hospital bays or residential lounges
- **Lightweight and easy to move**. Just 9kg, no specialist equipment needed
- **Quick to set up:** Start in under 10 seconds

Low-Impact Workout Anytime, Anywhere

Whether at the office or relaxing at home, the Cubii Go keeps you moving. This lightweight, portable seated elliptical easily transitions from couch to desk, providing a convenient low-impact workout. Its illuminated LCD monitor tracks calories burned, active time, speed, and distance, while 10 resistance levels engage six muscle groups. Designed for all users of all ages and abilities, it's perfect for improving leg strength and mobility.

Effortless Portability

The Cubii Go, crafted from glass-filled nylon, is 25% lighter than standard models for effortless portability. It features a telescopic handle, built-in wheels with stops, and a ZeroGravitt Flywheel for an ultra-smooth, whisper-quiet ride—perfect for workouts while on a phone call at work or watching TV from the comfort of your living room.

Monitor Your Achievements

Let the Cubii Go be your fitness companion on your wellness journey. Sync it with the Cubii mobile app, compatible with Fitbit, HealthKit, and Apple Watch, to track strides, mileage, and calories burned. Set health goals, log data from the Cubii monitor, and access Cubii Studio+ for hundreds of expert-led online workouts.
